## **Parent Organization**

### **100% Family Center**

The 100% Family Center is a place where families can get the help they need- all in one location. Families can find support with health care, child care, food, housing, job help and more. The center makes it easier for parents, children and individuals to stay safe, healthy, and strong. By working together, we are helping every family have what they need to grow and succeed.
