505 Diagnostics LLC

505 Diagnostics LLC is committed to providing high-quality behavioral health services to support individuals and families in our community. We specialize in comprehensive assessments and screenings to identify intellectual disabilities, autism spectrum disorders, and other emotional or behavioral challenges. Our goal is to deliver accurate diagnoses and personalized care plans tailored to each individual's unique needs.

We offer a range of services, including individual and group therapy. Our evidence-based therapeutic interventions are designed to foster emotional growth, enhance coping skills, and improve overall well-being. Group therapy provides a supportive environment for shared experiences and collective healing, while individual therapy focuses on personalized care to address specific challenges.

Additionally, we provide Comprehensive Community Support Services (CCSS) to help individuals and families navigate life's challenges and achieve greater independence. These services include skill-building, case management, advocacy, and assistance with accessing community resources.

At 505 Diagnostics LLC, our mission is to empower individuals of all ages by addressing their behavioral health needs and equipping them with the tools to lead fulfilling and meaningful lives.
