After School

ALCS has partnered with CYFD's Family Nutrition Bureau to offer a CACFP Supper Program* to ensure all our students, and even school age children visiting after school, have a dinner. A child only needs to be 1-18 years of age to qualify. While the students are having their meal they can also play board games, complete their homework or even play a game of table tennis.

ALCS also provides tutoring on an as needed basis. Please contact the office for additional information.
