

SHARE new mexico™

Back in Use Program

Back in Use recycles assistive devices and gives them away to people with disabilities and seniors in need of wheelchairs, walkers, hospital beds and more. All durable medical equipment is inspected, cleaned, and sanitized before it is distributed. Click [here](#) to donate or request equipment.

Back in Use relies on donations of durable equipment to pass on to people in need. Equipment must be in good working order as we do not repair equipment.

Due to Covid-19, we are taking donations by appointment only at this time. Please call us at 505.341.7171 to make an appointment. Thank you!

Parent Organization

Adelante Development Center, Inc.

Adelante is a nonprofit organization that supports people with disabilities, disadvantages, and seniors by providing employment, residential and day services, and other community resources. Founded in 1978, the agency's programs extend across New Mexico. Adelante means "forward" in Spanish, reflecting a focus on helping people push past stereotypes and moving forward with their lives. Adelante promotes independence and individualized goals in all of its programs.
