## Adopt-A-Native-Elder

Adopting an Elder is one of the many ways in which you can participate in the Giveaway Circle. A.N.E. is designed to build a bridge between individuals and cultures through opportunities to “adopt” Elders and help provide their basic needs.

You choose the way that best fits your specific interest and ability to give.

When you adopt, you commit to providing your Elder with two sets of Rainbow Food Boxes annually. A.N.E. provides and delivers the food. The cost is \$250 per year for the two sets of food boxes. If you’re able, additional Elder support is available for Food Runs and support throughout the year.

For more information on adopting an Elder, please visit our [Adopt An Elder](#) page.
