African American Museum and Cultural Center of New Mexico

The Museum and Cultural Center plans to host historical exhibits of New Mexico and the Southwest; traveling exhibits from other museums and the Smithsonian; workshops and educational programming around African American History; and Culture Artistic exhibits incorporating African American Artist and Musicians. Outreach efforts to communities around the state are requesting assistance in the collection and archiving of African American History in the State of New Mexico

Parent Organization

African American Museum and Cultural Center of New Mexico

The mission of the African American Museum and Cultural Center of New Mexico is a work in progress. Its aim to increase awareness and understanding of the contributions of people of African Descent with emphasis on New Mexico and the Southwest. The museum will be a vehicle for the perpetual definition of our history.
