## Homemaker Services

The Alamo Senior Center provides basic housecleaning services to seniors who are disabled and are unable to perform such services on their own due to health restrictions, and thus enable them to maintain a clean home environment. Homemaker services provide light-duty housekeeping to include vacuuming, mopping, dusting, making beds, changing linens, washing dishes, ironing, preparing meals, doing laundry, performing errands and transporting and accompanying persons to local medical appointments.

Please contact the Alamo Senior Center to schedule an appointment for an assessment to establish eligibility and need for services.
