Friends of the Alamogordo Public Library

FOL runs a variety of programs to draw people into the library and to encourage reading. We schedule a number of one-time events throughout the year, such as book signings, and each year we run the Adult Reading Challenge (January and February), the library's birthday celebration (March), Banned Books Week (September), and One City One Book (October-November). We also operate a public book club that meets monthly in the library.
