Albuquerque Area Firefighters Random Acts

Random Acts has many ongoing programs such as our "Books and Balls for kids program", Random Acts of Reading, and an ongoing partnership with area hospitals and hospitalized children, providing them with Christmas gifts and firefighter visits. Random Acts is always seeking ways to get the area firefighters involved with using their positions to make a difference in the lives of people who need their help. We have helped families recovering from fire losses, donated shoes to children, provided heaters for a school with no heat, and cleaned up 130,000 pounds of trash from an Albuquerque neighborhood. Our goal is to help firefighters begin the healing process within themselves for many of the tragic things we deal with while also helping others we encounter to get a leg up on their situations.
