

Drop-In Center for adults in recovery

ACHR was the first organization operated by and for people living with a mental health or a co-occurring diagnosis. The sense of acceptance found at ACHR is the result of people in recovery reaching out to others. We strive to provide a stigma-free environment to promote acceptance and recovery.

We offer Job Coaching and Job Development Services. Current activities and services include self-help groups, peer advocacy, reading library, yoga, and fun activities like basketball, darts and more. Peer-run groups include Choice Revovery, Smart Recovery. Addicts 2 Athletes is an 8-week program for men and women. All support groups are peer support groups: life skills, anger management (can be court-ordered), parenting (can be court-ordered), "The Four Agreements" book, and others.

A Pathways Navigator can meet with you to get you connected to health care and other resources.

Parent Organization

Albuquerque Center for Hope & Recovery

The mission of ACHR is to support people who live with mental health, or co-occurring mental health and substance abuse challenges. Through peer support in a safe environment, ACHR aims to help people experience positive life growth by focusing on hope, humor and personal responsibility.
