Primary Care Services

Primary Care Services - Program provides care for acute and chronic conditions through site-based and outreach services, with hospital referral as necessary. Psychiatry is provided through paid staff, and other specialty clinics such as eye, dermatology, podiatry, gynecology, and muscular-skeletal are staffed by volunteer providers. A motel voucher program is available for respite care (homeless with medical diagnosis requiring shelter during recuperation). This program has a medical/social services treatment team that focuses on the needs of homeless individuals, children and their families
