Albuquerque Involved - Grants

Public: We know you have many demands on your time, but you also want to be connected to Albuquerque's nonprofit community. We have a solution.

For a minimum of \$10 a month, you can become a member of Albuquerque Involved. 100 percent of your contribution will go toward our monthly grants, which are awarded to one nonprofit a month. As a member, you can [vote](#) each month for the nonprofit you would like the grant to go to. We'll announce which nonprofit received the most votes and award the grant shortly after voting closes!

Nonprofits: Obtaining funding can be hard. Our members want to help with that. Apply for a grant from Albuquerque Involved to compete for some extra cash.

Application Process: Fill out the application form on our [website](#). If your agency is selected to be a finalist, we will contact you to schedule the video production. We will handle production of the video with your assistance. Your agency will be responsible for obtaining the written permission of any person you want to appear in the video. The two to three-minute video will be posted on our website for our members to review during the voting period and will be available to the world forever via [our YouTube channel](#). Funds will be awarded to the winner within 30 days after voting closes.

Albuquerque Involved

Albuquerque Involved serves those who want to connect with their community but who struggle to find the time or place to start. We make it easy for busy individuals and families to get involved in giving and service to nonprofits in our greater Albuquerque community. Our hope is for members to find agencies that ignite their passion and inspire them to get involved in those nonprofits directly.

Get Inspired. Get Involved.
