APS Education Foundation

The APS Education Foundation supports a number of programs and initiatives at Albuquerque Public Schools. These include the Horizon Classroom Grant Program, which provides \$1500 to \$5000 classroom grants to schools, the Achieve Grant Program, which provides funds for extracurricular clubs and activities and other school-wide grant programs. The APS Education Foundation organizes the Superintendent's Cup, recognizes top high school artists at the annual A is for Art event and recognizes top seniors through the Selfless Seniors program.

Our funding streams will be focused with the Foundation raising money on behalf of four major efforts- Literacy, Fine Arts, Middle School and High School activities and Classroom Mini-Grants. These four initiatives are crucial to giving kids a chance to be better prepared, more well-rounded and more likely to stay in school and graduate.
