Albuquerque: Rail Yards Market

The Rail Yards Market of Albuquerque is focused on building a resilient, sustainable local economy that we all love to work and play in. Through food, art, and music, we hope to bring our community together in an atmosphere of fun, learning, and creativity. Rail Yards Market is a community organization operating under the fiscal sponsorship of a Barel Community Coalition, a certified 501(c)(3). The Rail Yards Market's mission is to celebrate the cuisine, culture, and art of Albuquerque and the State of New Mexico. Our commitment is to: Preserve the legacy of and collaborate with the historic downtown neighborhoods. Gather the city's many communities around a shared space. Nurture the next generation of local entrepreneurs. Create a dynamic hub for Albuquerque's agricultural and artistic communities. Promote tourism by providing Albuquerque with a must-see destination in the heart of downtown. Demonstrate one of many potential uses for the Rail Yards site. Promote the knowledge and preservation of New Mexico's heirloom crop varieties
