Family Infant Toddler Program (FIT)

The FIT Program is a statewide program that provides early intervention services to infants, toddlers who have or are at risk for developmental delays and families in New Mexico. Early intervention provides activities and strategies for families to use to promote their child's development throughout the day. Early intervention can make a lifetime of difference!

Our Mission

Alta Mira Specialized Family Services, Inc. supports individuals with intellectual/developmental risks, delays or disabilities and their families to optimize quality of life.

Our Vision

Alta Mira Specialized Family Services is a nonprofit organization that serves people of all ages with developmental risks, delays or disabilities throughout their lives.

- We believe that these issues affect not only the person, but the family and the community, too.
- We respect the family as the expert — empowering, validating and encouraging family members to be confident advocates.
- We promote inclusion for people with developmental risks, delays or disabilities in every aspect of

community life.

- We work closely with individuals and their families to help them strengthen basic life skills, achieve their goals and reach their full potential.
