Alvarado Park Neighborhood Association

We are an association of residents of the area located between Indian School, Constitution, San Pedro and San Mateo in the Albuquerque near northeast heights. Our park is located in the center of the rectangle formed by these streets. Our neighborhood is made up of a mix of rental and owner occupied single dwellings and apartments. The park is heavily used by all age groups, families and organizations. The neighborhood association's mission is to provide a safe and well-connected environment for the families and other people who live in our area. We promote the park as an outdoor community center. We collaborate with 2 other Associations, the Fair Heights Neighborhood Assn and the Mark Twain Assn in improving the Mile High District of Albuquerque NM.
