## **American Civil Liberties Union of New Mexico (ACLU)**

The ACLU of New Mexico undertakes litigation, advocacy and public education to advance and defend constitutional rights with an emphasis on issues that have broad impact. Our litigation and legal advocacy work seeks to establish case law and policy precedents that protect or expand civil liberties. Our team of attorneys represent ordinary people who have experienced an injustice and have decided to reclaim their rights. Our primary focus is on the [issues](#) that affect residents of the state of New Mexico—LGBT equality, freedom of speech, reproductive freedom, immigrants' rights, privacy concerns, police abuses, fair treatment of prisoners, and more.
