

Amigos Bravos 3 Program Areas

Amigos Bravos' focuses on the on-going goals of Protecting and Restoring Watershed Health, Holding Polluters Accountable, and Building a Water Ethic and Stewardship for the Future. Our work focuses on organizing around Environmental Justice issues and on countering the predicted effects of Climate Change. We accomplish our work by using three strategies:

- Civic Engagement and Action
- Policy Implementation
- Building Community Capacity

See: www.amigosbravos.org for more information on each of our projects

Parent Organization

Amigos Bravos

Formed in 1988, Amigos Bravos is a statewide water conservation organization guided by social justice principles and dedicated to preserving and restoring the ecological and cultural integrity of New Mexico's water and the communities that depend on it. While rooted in science and the law, our work is inspired by the values and traditional knowledge of New Mexico's diverse Hispanic and Native American land-based populations, with whom we collaborate.
