## **Anansi Day School--5 Star Licensed Child Care Program**

Anansi Day School is a child-centered school for children age 3-5 years old. At Anansi the well-being of our children governs our decisions. Our goal is to provide a nurturing and supportive environment where children develop a love of learning and acquire a strong foundation on which to build a lifetime of knowledge. Our desire is for children to reach their highest potential. We acknowledge and respond to their learning needs. We believe children learn through play while competent educated teachers guide them in their growth and development. Parents are also an integral part of our program as we acknowledge them as the child's first teacher.
