Donor-subsidized Veterinary Clinic

Animal Humane's Donor-subsidized Veterinary Clinic, located on our Main Campus at 615 Virginia St SE, plays a crucial role in ensuring pets stay healthy and with their families. As New Mexico's first low-cost Veterinary Clinic for pet owners based on need, we provide much-needed care for those who are experiencing difficulty in accessing veterinary care.

Renovated in October 2007, with valuable funding from private donors and foundations, Animal Humane's Clinic also provides quality medical care for the 3,000+ homeless pets that we shelter annually—many of whom will require spay/neuter, medical and behavior services in addition to abundant amounts of TLC.

Services for pet owners include:

- TNR
- Spay/Neuter
- Preventative Care

Additional information is available on the website at <https://animalhumanenm.org/veterinary-clinic/>
