Appletree Child Development Center--Nationally Accredited 5 Star Licensed Child Care Program

Opened in 1999, AppleTree became Sierra County's only licensed child care center. Our mission is to meet the needs of the whole child- this includes the family and community. Our primary purpose is to provide high quality early childhood services that are affordable and accessible to all. As necessary we have expanded our program services to fill the gap of other community needs that support the families we serve. Below is a list of our primary programs:

AppleTree offers Sierra County's only full day year round Nationally-Accredited STAR 5 early care and education to children birth-five years in a center-based environment with small teacher-to-child ratios. AppleTree is an inclusive setting and serves children with special needs. Programming includes NM PreK both half and full day pilot.
