## **Manzano Christian School**

In 2011 Manzano Christian School celebrated its first graduating high school class. In the fall of 2011, enrollment was at 47 students, all that our facility can accommodate. It is the desire of Manzano to provide youth with a complete search for truth. Core subjects include physical education, music, drama, Spanish, and art. Standard Achievement Tests show that Manzano students continue to make yearly gains. All youth also participate in monthly service learning projects. Manzano takes a bold approach in equipping students for lifelong leadership and service. The core values of Manzano are character, integrity, courage, sacrifice, and love. These values are modeled by the teachers who are committed to helping the youth think critically within a caring and safe environment.
