Assisteens

Assisteens is a teen auxiliary of Assistance League of Chaves County. Membership is co-ed and involves learning to serve others in the community where we live, gaining leadership skills, and developing lasting friendships. Members enjoy volunteering with the Down Syndrome Foundation of Southeastern New Mexico, making fleece blankets for CASA, ushering at the Roswell Symphony Orchestra and many other philanthropic programs. Each Assisteens Auxiliary may choose their own programs and assist the chapter with their programs and fundraisers.

For more information on the auxiliary and how to join, contact us at alccroswell@hotmail.com.
