Autism Specialists LLC

Autism Specialists provides speech and language therapy and occupational therapy to individuals with autism spectrum disorders and other developmental disabilities (e.g., intellectual disabilities). We also have extensive experience in working with individuals who have a co-existing mental illness (e.g., depression, bipolar, anxiety, personality disorders). We work with individuals of all ages from infancy to adulthood. Our clinicians provide treatment in the clinic, home, day habilitation site, and/or community.

We offer:

- **individual therapy sessions**
 - **social groups**
 - **lego therapy groups**
-
