Healing in the Desert

We are the only intensive outpatient trauma treatment program in New Mexico that provides an integrative model of intensive outpatient trauma care and is capable of providing comprehensive and adherent Dialectical Behavioral Therapy (DBT) within the treatment program. Through Healing in the Desert, Awake and Aware LLC provides enhanced services and care in a DBT intensive format while providing the safety net of continuous care at discharge via step-down into the agency's established and highly acclaimed comprehensive DBT program.
