## **BeeHive Assisted Living and Respite Care**

We offer both long-term and respite care that combines housing, assistance with daily activities, and health care services as needed. Assisted living care is designed for those who require a little extra help with daily activities such as medication management, bathing, dressing, mobility, incontinence, or a number of potential challenges. We also offer services for those who require memory care or dementia services including Alzheimer's disease. Visit website for location information:
