## Parent Organization

## Bethel Community Storehouse

Our mission statement is “to express the love of Christ in a tangible way to those in need within our community.”  To that end, Bethel Community Storehouse operates the only brick and mortar emergency food pantry open to our community four days a week, Tuesday through Friday, from noon to 3:45p.m.

We also have a thrift store using gently used items donated by the public which we allow our clients to shop for clothing twice a year.  Our clients also receive a store credit that they can use to purchase furnishings and essential housewares for their homes.

Our motto is “Neighbors helping Neighbors” which we think epitomizes what we do here in mostly rural

New Mexico.
