Bosque Farms Christian Academy

The mission of BFCA is to provide a training center to teach students how to live according to God's principles, to be passionate followers of Christ, and to find and fulfill the destiny and purpose God has for their lives.

Bosque Farms Christian Academy (BFCA) was started in 1979 as a ministry of First Assembly of God in Bosque Farms, New Mexico. Since 1979, the Bible has always been the main textbook of this academy. Each student is required to memorize Scripture as part of their daily goals. This is important because Jesus taught that man does not live by bread alone but by the Word of God. This means that a Christian's life is not sustained merely by temporal things but by the eternal Word of God. We are not ashamed of the Gospel. We are not ashamed to lift up the name of Jesus Christ as the Son of God and the Savior of the World. It has always been the goal of this Academy to train Christian youth of every ability in the highest principles of Christian leadership, self discipline, individual responsibility, personal integrity, and good citizenship in light of these things.
