

Conservatorships

Conservatorships: *Conservatorship is a judicial procedure allowing financial decisions to be made for those who are no longer capable or choose not to make decisions for themselves.*

- Locate and manage the Conservatee's finances.
 - Ensure the Conservatee's bills are paid and needs are met.
 - Invest monies with the best interest of the client.
 - Ensure Conservatee is receiving all the income and benefits they are entitled to.
 - Ensure Conservatee's are filed in a timely manner.
-

Parent Organization

Bridge to Success NM

To assist the most vulnerable individuals that struggle with finding their way. Our purpose is helping those exposed, break through barriers that keep them from reaching their full potential. We will provide services to assist in building strength and courage while providing guidance and education for them to seek opportunities for success. Our goal is for these individuals to become responsible citizens so they may have

a fulfilled and productive life.
