Campo Behavioral Health, LLC

Campo's mission is to create lives of warmth, security, freedom, laughter and belonging for adults with developmental disabilities. The agency specializes in support to adults with an additional diagnosis of mental illness, behavioral disorder and/or brain injury, avoiding the need for hospitalization and successfully supporting people in safe and security community living environments. Campo is also a leader in promoting the rights of people with disabilities and their inclusion in the community. Services provided under the DD Waiver include residential and day services, as well as behavior therapy. In addition, Campo is available to provide non-traditional services under other funding sources, including Mi Via and private pay. Services include Behavior Modification; Behavioral Learning Therapy; Individual Counseling; Residential Treatment Facilities; and State Medicaid Waiver Programs. Residential treatment facilities for children/adolescents.
