Parent Organization

Cancer Support Now

Cancer Support Now is a membership-based organization created by cancer survivors to build and sustain: 1. An active community of people whose lives have been affected by cancer diagnoses; 2. Opportunities for those facing cancer to give and receive cancer peer support with a primary emphasis on: peer-facilitated support groups and one-on-one support; activities that strengthen the survivorship community; education and information that empower each cancer survivor to make prudent decisions to improve his or her own unique situation.
