Española Youth Builders (EYB)

Capacity Builders Inc. partners with Española Public Schools and dozens of community-based organizations to work with one of the most disenfranchised, drug-ravaged, violent communities in New Mexico: Espanola. For this coming year, Española Youth Builders will target 10 high-needs, underperforming schools in the Española Public School District – providing them with after school tutoring assistance and service learning opportunities. With more than 16 years of service to New Mexico's neediest communities, Capacity Builders Inc. is fully qualified to successfully carry out this grassroots project, which will bring about significant and lasting academic, social, and behavioral gains for Española students.
