Mother Earth Agricultural Initiative

Capacity Builders Inc.'s Mother Earth Agricultural Initiative provides technical assistance to small, socially disadvantaged producers located in the highly rural eastern portion of the Navajo Nation and in Mora County, New Mexico. Our primary goal is to improve the capacity and economic conditions of small, socially-disadvantaged producers. Our technical assistance services include: market research, product/service improvement, legal advice and assistance, feasibility studies, business plan/marketing plan development, training, business development assistance, technical assistance in agricultural methods especially for small producers and cooperative agricultural organizations, and community development technical assistance.
