## **National Center for Rural and Tribal Cooperative Development (The Center)**

Thanks to a generous grant from the USDA, The Center began providing services to Navajo organizations and businesses in November 2011. To date, we have helped either create or save approximately 50 jobs in the Navajo community. Capacity Builders Inc. is in the process of expanding its services by assisting new groups and businesses in becoming incorporated...helping improve job opportunities through the creation of new jobs...and preserving existing rural businesses to thrive in this challenging economy.
