Navajo Youth Builders – Teen Pregnancy Prevention

The purpose of this initiative is to eradicate unwanted teen pregnancy among not just Navajo youth, but all Native American and Alaskan Native youth. This project includes comprehensive youth development programming and community service learning. As a certified Wyman Teen Outreach Program© replication partner, Capacity Builders Inc. seeks to reduce teen pregnancy, course failure, school dropout and school suspensions. We've also created a national "Native American Teen Pregnancy Prevention Resource Center" for teen pregnancy prevention so that tribes across the country will be inspired by our success and have access to the many resources available to begin this important work in their home communities.
