

SHARE new mexico™

Casa Amigos Community Residential Facility

Serves as a satellite to the New Mexico Boy's School and Youth Diagnostic Development Center. Assists adjudicated youth making adjustments back into the community. Program provides: Substance abuse counseling, group and individual counseling, (AA/NA meetings), family counseling and employment. All residents participate in the S.A.I.L.S. Program (Independent Living Skills Training Program) and perform community service for non-profit organizations, different churches, County, City and State agencies or any curriculums the program may offer. Group, individual and family counseling, and education are provided through the Farmington Public Schools, and San Juan College.
