## **Parent Organization**

## Casa de Salud

The mission of Casa de Salud (Casa) is to promote the development and sustenance of individuals and organizations that provide health services, health literacy, community health promotion, health leadership development, health advocacy and health system change. Casa interweaves traditional and conventional medicines to meet the physical and spiritual health needs of its patients in a welcoming, just, creative, and inclusive environment, providing fair priced health care to anyone in need, and promoting a learning and leadership development environment for practitioners, staff, volunteers, patients and clients.
