CASA of Lea County

CASA of Lea County specializes in three specific areas to benefit children and families: Court Appointed Special Advocates provides volunteer advocates to abused and neglected children in the foster care system in Lea County, New Mexico. Family Time Visitation Program provides a safe, monitored facility for self-referred and court-ordered clients for supervised visitation services, and monitored custody exchanges services. The Canine Companion Program provides our canine, Phillip to provide emotional support to abuse and neglect child victims and clients of our other programs as well as to children that are detained at the Lea County Juvenile Detention Center.
