Casa San Jose

Casa San Jose, a program of Catholic Charities, operates 3 concurrent programs: a shelter group home, a semi-independent living program and an outreach program for pregnant and parenting teens living in the communities of Grants and Zuni. The group home has 24 hour staffing for teen families with a maximum of a two year stay. Provides support services and life skills development. Our programs are dedicated to providing a safe and supportive home-like atmosphere to young girls who do not have the personal means or family support necessary to bring a child into the world and the parenting skills needed when the child arrives.
