## Center for Development and Disability (CDD) Information Network

The **Center for Development and Disability (CDD) Information Network** is New Mexico's premier source of disability related information and referral. We provide high quality, comprehensive library services and community resource connections for individuals with disabilities and their families, as well as healthcare professionals, school personnel, advocates, case managers, and others, throughout New Mexico. There are Information Specialists who can connect you to local, state, and national organizations and program resources. We offer a specialized library with disability related books, eBooks, videos, DVDs, and journals available for check-out or onsite use by individuals with disabilities, families, healthcare professionals, school personnel, advocates, case managers, and others. The Babynet call-in line provides information and

referral to early intervention agencies statewide for children under 36 months of age.
