CHANCES (Collaboration to Help Assure No Child Is Exposed to Substances)

Provides screening, assessment, referral and treatment for pregnant women in Luna County who may be using alcohol, drugs, tobacco, or similar substances that may harm the fetus. Provides information about the risks and effects of using alcohol, drugs, tobacco and similar substances during and immediately before pregnancy to pregnant women, women who may become pregnant, women or parents who have had children, organizations serving such people, and to the general public. Collaborates with organizations that serve our same objectives. For more info or to request assistance, please email us.
