Albuquerque, NM 87122

---

### **Parent Organization**

#### **Children's Choice Child Care Services, Inc.**

Children's Choice is dedicated to facilitating the positive development of children by developing and maintaining school-age care programs that are a model of quality care -- programs where children play, learn, grow, and make friends -- programs where children are nurtured and develop life skills. We will use these programs as a source of training and technical assistance for the larger community of school-age care practitioners.
