Silver Alert

A public notification system to broadcast information about missing individuals who suffer from Alzheimer's disease and/or Dementia. Caregivers register their family member who is age 60 and older through the Department of Senior Affairs (DSA). By contacting DSA, a picture will be taken along with vital information and placed on a USB drive and given to the caregiver. In the event, the individual is missing; the family can provide the City of Albuquerque police with the USB drive.
