Santa Fe Opiate Outreach

Santa Fe Opiate Outreach provides opiate overdose prevention, recognition and response as well as case management to treatment and recovery/support resources for OD survivors and individuals at risk for opiate OD as well as their families and friends. We also perform intermittent geographic hotspot analysis to provide targetted training and public access naloxone. We identify individuals through 911 data, NM DOH referrals (which they receive through mandatory reporting from CSV ER) and self-referrals. A program of the Santa Fe Fire Dept.'s Mobile Integrated Health Office (MIHO).
