Home Visiting Program

CommonSpirit St. Joseph's Children is a free and voluntary Home Visiting Program offering weekly Virtual Visits at a time and in a location convenient for everyone.

We are a FREE universal Joyful Parenting Partnership program with no income requirements. CommonSpirit St. Joseph's Children is a self-funded program due to an endowment. We do not utilize any government funding (federal, state, or local government funds of any type) in serving families. We do not bill the family or insurances for any costs.

All first time parents are offered Prenatal Joyful Parenting Partnership (if enrolled during pregnancy) with week by week pregnancy curriculum and pregnancy models including information that prepares the family for labor and delivery. Following the birth of the baby, Postpartum Joyful Parenting Partnership provide detailed information about baby's first few weeks of life as well as what mom is experiencing.

We teach parents how to do infant massage which helps your baby relax, sleep and be closer to you. In addition, we provide Breastfeeding Support and Lactation Consultation. We also provide Case Management Services. Participation continues until the baby is 3 years old.
