### Community Against Violence, Inc. (CAV)

Mission Statement - To foster and support a community free from all forms of domestic and sexual violence. As an organization we respond to individuals and families in crisis, provide ongoing support for those healing from the effects of domestic/sexual violence and abuse/neglect, and reach out to children, adults, and organizations to educate and prevent future violence. We believe offenders should be held accountable and provide the opportunity for re-education to increase safety, when appropriate.
