New Mexico TechWorks

www.NMTechWorks.com ~ Connecting learning with real-life in support of a thriving Emerging Media and Technology ecosystem in New Mexico. New Mexico TechWorks is a program of the Community Learning Network, an educational nonprofit dedicated to "building community through real-life learning." We are: mapping the Tech ecosystem, promoting Tech education, linking schools and Tech businesses, and supporting Tech enterprise and workforce development. We are also supporting [TechHire](#) in Santa Fe and Northern New Mexico! TechHire is a national initiative to give Americans pathways to well-paying technology jobs. NM TechwWorks provides a variety of opportunities for students in New Mexico to learn about Career possibilities in our state through Tech Career meet-ups and Coding boot camps, as well as online resources including a Tech Business Directcory, an online Directory of Coders in New Mexico, Hackathons and IT event listings, and a Tech Career Video Bank of short and informal interviews with local professionals in Emergent Media and Technologies in the state of New Mexico.
