Family Leadership Program

The Family Leadership Team (FLT) is your voice for families with young children in Grant County. Established by Community Partnership for Children in 2022, we're a diverse group of parents with children aged 0 to 5, united by a shared vision: building a thriving community where all families and children can flourish.

We believe in the power of collaboration and open dialogue. Through informal, meaningful conversations, we share support, knowledge, and valuable insights on the issues that matter most to families—everything from early childhood education to childcare resources and local events.
