Parent Organization

Computer Science Teachers Association

To increase access to high-quality computer science education in New Mexico for our K-12 students by creating a community of computer science educators and links to area industries that are connected to computer science and IT professions.

Mission statement of our fiscal partner: Community Learning Network & NM Tech Works

Community Learning Network is dedicated to "building stronger communities through real-life learning."

New Mexico TechWorks is dedicated to "expanding Tech access and education and increasing Tech enterprise and employment in New Mexico."
