

SHARE new mexico™

Conservation Voters New Mexico Education Fund

Program priorities are: 1) Uranium Mining's Legacy; and 2) the Environmental Alliance of New Mexico (EANM), a coalition of over two dozen conservation groups working collaboratively to elevate environmental issues at the New Mexico State Legislature.

Parent Organization

Conservation Voters New Mexico Education Fund

Our mission is to engage the people of New Mexico in our long-standing shared values of protecting our air, land, water and the health of our communities. We do this by mobilizing people to advocate on policy, enhancing the voting process, encouraging people to vote, cultivating conservation leaders and amplifying the voices of those most affected.
